Data for Last School Year

September 2016 to July 2017:

- 86 active Tier 3 cases (schools who have requested help for these pupils)
- 35 Tier 3 cases closed (pupils made progress)
- 253 pupils discussed at Tier 2 (pupils causing concern), 81/253 were new pupils.

End of Year Evaluations

We have revamped these to give you an overview of how our service has supported your school this year.

We have received 28/53 returns. We will be resending in the hope of achieving 100% returns this year.

Missing Library Books

After reminders sent by email we will be invoicing schools for any missing books. With 53 schools to serve this can sometimes be a mammoth task!

Please return unwanted books ASAP
Many thanks. 😊
