10th October 2021

Dear Parents and Carers,

Following on from my email on Friday, I have been informed of two further cases of COVID in Year 4. Some of our cases have been completely or almost asymptomatic, so in order to reduce further asymptomatic transmission within the class, I am asking parents to carry out a lateral flow test on Year 4 pupils before they come to school on Monday.

If your child tests positive then you should book a PCR test. I would be grateful if you could let us know the outcome of the lateral flow test even if it is negative.

You can either email the school on absence@windermere.herts.sch.uk or use this link to complete an online form for the school.

For children who are at home tomorrow, either because they are positive or awaiting PCR results, Miss Clark will be posting work on Google Classroom and will set up a live lesson during the morning.

Please don't hesitate to contact me if you have any questions. Thank you for your patience and support.

Yours sincerely,

Mrs D Raftery
Headteacher
