21st November 2021

Dear Parents and Carers,

I writing to let you know that there has been a confirmed case of COVID-19 in Reception this week. Please be additionally vigilant about your child's health and if your child has a temperature, cough or loss of taste or smell (in a young child this may show up as not wanting to eat or saying something doesn't taste right), then please do not hesitate to book a PCR test. Whilst Lateral Flow Devices have been very effective in picking up asymptomatic cases, a PCR test is more sensitive and should be used when there are symptoms.

If your child does have any of these symptoms, please let us know, but do not send them into school until you have had them tested.

Thank you for all your support in keeping cases to a minimum.

Yours sincerely,

Mrs D Raftery
Headteacher
