25<sup>th</sup> January 2022

Dear Parents and Carers,

Attached is some information about the 2022 multiplication tables check which Year 4 children will undertake in the summer term. Multiplication tables are an essential building block in maths, not just for multiplication, but also for division, fractions, percentages, ratio etc. This statutory assessment is intended to test your child's fluency in times tables recall.

There are online practice websites such as:

<https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>

and

<https://www.timestables.co.uk/multiplication-tables-check/>

Although we are practising times tables at school, practising them at home will help your child to be more confident and to recall their number facts more quickly.

If you have any questions about this, please do not hesitate to contact me or Miss Clark.

Yours sincerely,  
Mrs D Raftery  
Headteacher
