8th September 2021

Dear Parents and Carers,

We need your help at the fair!

We have some exciting things planned for the fair, but we can only do them if we have enough volunteers. If you can help set up, work in a stall, or tidy up afterwards please let us know. The more people that help the more we can spread the work around so that everyone can enjoy the fair.

We will start setting up next Friday (17th) during the day and at 9am on Saturday morning. We need helpers on stalls and games from 11am to 1pm, and then we will tidy up at 1pm until we're finished.

Older children are welcome to get involved if they want to help their grown ups with a game or in a stall.

Children in Year 6 can help with games as well. We would love to have their help and this is a great way for them to get involved at the fair. If your child would like to get involved, let us know!

Please message us on Classlist/Facebook or send us an email at [pta@windermere.education](mailto:pta@windermere.education) if you can help and we will add you to the volunteer list. If there's a specific stall or game you'd like to get involved with, let us know that too and we'd be happy to try to accommodate your preference.

If you prefer to sign up online, go here to see where we still need help. If you're not fussed about what stall/game you're on, then just select the general "volunteer" option and we will gladly find something for you to do! <https://www.pta-events.co.uk/windermere>

Thank you,  
Windermere PTA
