Phasels Wood Residential Visit

Dear Parents and Carers,

I am delighted to let you know that as previously mentioned we have been able to confirm the Phasels Wood overnight visit for the end of September. This will now take place on **Thursday 30th September**, with the children returning on **Friday 1st October**.

A wide range of activities have been booked including abseiling, human table football, archery, the Cresta Run tobogganing and pedal racers. The accommodation, which will be solely occupied by our group of children, is indoors with en suite toilets and showers.

This is always a fantastic trip and I know the children will have great fun. The cost for the visit, including coach travel, all of the activities, evening meal and breakfast will be £70. This is subsidised by a generous donation from the PTA.

If you have already paid the initial £10, please arrange to pay the balance of £60 as soon as possible. This can be paid in three instalments of £20 each if you prefer. Payments can be made by SchoolMoney or cash/cheque at the office.

If your child was not ready to go away overnight when the visit was first proposed, but they would now like to join in the fun, please contact the office by Monday 13th September, so that you can be added to the list.

Yours sincerely,

Mrs D Raftery
Headteacher
